This sample was made on an 18 count white Baby Afghan by Charles Craft.

This pattern is made using two (2) strands of each color floss. You may convert this pattern to needlepoint by using three (3) strands each using a half stitch (conventional stitch). For backstitch, use one (1) strand each.

If you decide to use a different thread count, be sure to adjust your fabric size accordingly. For sizing examples, visit our page regarding types of fabrics where we have a handy conversion chart you can use!
